

Saturday, Sept. 26, 7 to 10 a.m.
At The Gateway to the McDowell Sonoran Preserve
18333 N. Thompson Peak Parkway

*(east of Thompson Peak Parkway
between Bell Road and Union Hills Drive.
The formal dedication begins at 8 a.m.)*

Celebrate the Bajada Nature Trail Opening

Access for All

Hosted by Ruthie Carll, Executive Director of the McDowell Sonoran Conservancy, speakers include Mayor Jim Lane and representatives from the McDowell Sonoran Preserve Commission. Various activities will take place throughout the morning.

We constructed the Bajada Trail for the enjoyment of all -- from young children to the elderly, and for those with physical challenges. The half-mile trail exceeds many ADA standards. It offers an innovative, interactive nature experience for those who want to learn more about Arizona's unique Sonoran Desert.

The Bajada Trail was made possible through the generous support of longtime McDowell Sonoran Preserve advocates, the Richard and Christine Kovach Family and the McDowell Sonoran Conservancy.

For more information, contact the McDowell Sonoran Conservancy at (480) 998-7971. Dress appropriately and bring water.

Orange juice donated by **SUN ORCHARD.**
