**Summary**

This article provides the steps on how to use Internet Explorer to FTP to Personal WebSpace.

| Step	Action
1	Open **Internet Explorer**.
2	In the **Address** bar, enter **ftp://members.cox.net**.

Result: **Login As** window displays.

3 Enter **User Name** and **Password**.

Result: The **Address** bar displays username@members.cox.net listing all files in the webspace.

Note: If **Login As** window does not appear, proceed to step 3 or run IE repair.

4 Drag and drop files in and out of window to make changes.

5 Close window to save changes and end FTP session.

All steps complete.
